Published by Division of Procurement Services – Delbert H. Singleton, Jr., Division Director

Thursday, March 22, 2018

Volume 37, Issue 301

It happens on Friday, March 23, 2018. *South Carolina Business Opportunities* will be reincarnated as an on-going database of advertisements for open solicitations.

Public agency advertisers (not vendors), please visit <https://scbo.sc.gov/account-request> to register yourself and your organization!

If you are a **vendor** who reads SCBO for solicitations on which to bid, there is no need to register.

(For SC State Government agencies advertising in SCEIS, no change.)

This move will make our advertisements highly searchable and will tailor the readers' experience to their individual interests! Advertisers will **CREATE AND UPLOAD THEIR OWN ADS** in our new platform, eliminating the need to send them to the SCBO editor for review and layout.

VENDORS, DON'T NEGLECT TO CHECK THE STATE'S FIXED PRICE BIDS

If authorized by the original solicitation, the State may use "competitive fixed price bidding" to create procurements with an open response date. These fixed price bids are advertised in SCBO once, but the solicitation may provide for bids to be accepted continuously or periodically during the contract term. The link below takes you to a listing of all open solicitations conducted by the central purchasing office using the competitive fixed pricing bidding rules: <https://procurement.sc.gov/vendor/contract-opp/fixes-price-bids-ss>.
